

In every inquiry is hindi sya ma accept. Dapat diretso na sa chat once na iclick ang “accept iquiry” para maka pag usap na sila.

[In the "Manage Inquiries", "Buyer Inquiries & Communication", Every inquiry cannot be accepted. When interacting with the "Accept Inquiry" it doesn't work and an error "Invalid Status Transition" showed up saying it cannot change the inquiry status from "Submitted" to "Accepted". Why is that?]

The color and percentage ng reserve / committed is hindi visible. So dapat tama ang calculation nyan equal sa Total recorded volume.

[In the Dashboard, in the “Biomass Availability vs. Internal Utilization”, the color and the percentage for the “Reserve / Committed” is invisible, It only showed a gray bar. So its right calculation is equal to the Total Recorded Volume.]

My recent actions is not functional. This feature should be functional to all accounts/roles. [In the Dashboard, the “My Recent Actions” in not functional. This feature should be fully functional to the accounts/roles.]
